

LOIS M. TAKAHASHI

CURRENT APPOINTMENT:

Professor (2008-present)

Department of Urban Planning
UCLA School of Public Affairs
Box 951656
Los Angeles, CA 90095-1656

Phone: (310) 429-8641
FAX: (310) 206-5566
e-mail: takahash@spa.ucla.edu

Joint appointment: Department of Asian American Studies, UCLA (2005 – present)

(On leave, 2009-2010, University of California Center at Sacramento)

PREVIOUS APPOINTMENTS:

Associate Professor (2001-2008)

Department of Urban Planning, UCLA

- Vice-Chair, Department of Urban Planning (2005-2006)
- Chair, School of Public Affairs Faculty Executive Committee (2006-2007)

Visiting Associate Professor (June-July 2003, July 2004, June-July 2005)

Center for AIDS Prevention Studies
Department of Medicine, UC San Francisco

Harvey Perloff Visiting Associate Professor (2000-2001)

Department of Urban Planning, UCLA

Assistant Professor (1992-1998); Associate Professor (1998-2001)

Department of Urban and Regional Planning, University of California, Irvine

- Affiliated Faculty Member, Asian American Studies (1994-2001)
- Chair, Academic Senate Council on Educational Policy (1999-2000)

EDUCATION:

- Ph.D. Urban Planning, 1992
School of Urban and Regional Planning, University of Southern California
- M.S. Public Management and Policy/Architecture, 1987
Heinz School of Urban and Public Affairs/Department of Architecture
Carnegie Mellon University, Pittsburgh, PA
- A.B. Architectural Structures, 1985
College of Environmental Design, University of California-Berkeley

CURRENT RESEARCH AREAS:

Social Capital and Health for Asian Pacific Islanders in the US
HIV/AIDS in Communities of Color in the US
Social Capital and Environmental Conditions in Southeast/South Asian Cities
Homelessness and Social Services

COURSES TAUGHT:

Graduate:

Advanced Planning Theory (core PhD)
Comp. History of Planning (core PhD)
Histories/Theories of Planning (core MA)
Locational Conflict
Homelessness
Metropolitan Analysis
Community Attitudes

Undergraduate:

Urban Policy and Planning (core minor)
Introduction to Urban Geography
Locational Conflict
AIDS Fundamentals
Honors Thesis Seminar
Fiat Lux Freshman Seminar

FELLOWSHIPS/AWARDS:

2005 Featured on “Health Geographers Profiled” web site of the Association of American Geographers, Medical Geography Specialty Group, April
2004 “Most Helpful Faculty Member”, poll of UCLA Urban Planning MA Students
2003-2005 Fellowship, Collaborative HIV-Prevention Research in Minority Communities Program, UCSF Center for AIDS Prevention Studies and AIDS Research Institute
2000 Chancellor’s Award for Excellence in Fostering Undergraduate Research, University of California-Irvine
2000 Award for Excellence in Undergraduate Teaching, University of California-Irvine
1999 Award for Excellence in Undergraduate Teaching, University of California-Irvine
1997 Career Development Award, University of California-Irvine
1994-1995 Fellowship, Pacific Basin Research Center, Harvard/Soka University
1991-1992 John Randolph and Dora Haynes Foundation Dissertation Fellowship, University of Southern California
1988-1991 All-University Predoctoral Merit Fellowship, University of Southern California
1985-1987 Richard King Mellon Merit Scholarship, Carnegie Mellon University
1980-1984 Alumni Scholarship, University of California at Berkeley

Committee Member:

Gilbert Contreras: gang suppression policies, adolescent perceptions of safety

Héctor Magaña: Central American hometown associations

Jan Mazurek: climate change, carbon emission monitoring (PhD, September 2008)

Kimiko Shiki: housing, poverty, and shared resources (PhD, May 2008)

John Scott-Railton: community mobilization, Francophone Africa, environmental risk

Beth Tamayose: Pacific Islanders, land use regulations

Andrew Whittemore: historical analysis of zoning in Los Angeles

OTHER MENTEES:

Professor Nisha Botchway, Department of Urban and Environmental Planning, Department of Public Health Sciences, University of Virginia (2008-); ACSP POCIG mentorship program

Professor Deden Rukmana, Department of Political Science, Public Administration, and Urban Studies, Savannah State University (2008-); ACSP POCIG mentorship program

Dr. Karin Tobin, Department of Health Policy and Management, Johns Hopkins School of Public Health (2009-2014); National Institutes of Health K01 grant to Karin Tobin

CONSULTING EXPERIENCE:

Consultant, Asian Pacific AIDS Intervention Team (APAIT), Los Angeles, CA, 2009-2012.

Program evaluation using participatory research methods for the Asian Pacific-Islander AIDS Capacity and Technical Assistance Services (APACTS) program, a capacity building program that aims to increase existing systematic capacity for providing a comprehensive continuum of HIV/AIDS services for Asian Pacific Islanders (APIs) living in Los Angeles County by identifying and strategically addressing service gaps by targeting API serving organizations.

Design of pre- and post-symposium questionnaires and organizational capacity questionnaires; data entry, analysis, and presentation of findings. Funded by US Office of Minority Health.

Consultant, Guam Communications Network, Long Beach, CA, 2009. Needs assessment of hepatitis B awareness, testing, and vaccination to guide social marketing campaign. Adaptation of survey instrument originally designed by New York University National Center of Excellence for the Elimination of Hepatitis B Disparities (CEED); data entry, analysis, and presentation of findings. Funded by the NYU CEED.

CONSULTING EXPERIENCE (continued):

Consultant, Asian Pacific AIDS Intervention Team (APAIT), Los Angeles, CA, 2007-2009. Program evaluation using participatory research methods for The Sisterhood Program, an HIV prevention program targeting monolingual Chinese immigrant women. Design of pre- and post workshop questionnaires; design of follow-up questionnaires; data entry, analysis, and presentations of findings; interaction with Technical Assistance Team on evaluation methods and data collection. Funded by Johnson and Johnson, and the National AIDS Fund.

Consultant, Guam Communications Network (GCN), Long Beach, CA, 2006-2009. Program evaluation using participatory research methods of technical capacity building project targeting Pacific Islander community organizations in Southern California. Trainings on data collection and analysis to Pacific Islander community and religious organizations; design and analysis of organizational surveys; design and analysis of community needs assessment survey; process evaluation of program design and delivery. Poster presentation by partners and evaluator at 2008 Annual Meeting of the American Public Health Association, San Diego, CA. Funded by U.S. Office of Minority Health.

Consultant, Asian Pacific AIDS Intervention Team (APAIT), Los Angeles, CA, 2006-2009. Program evaluation using participatory research methods of APPEAR Program (Asian Pacific Prevention, Education, and Awareness Raising). Design, and analysis of organizational surveys, process evaluation of program design and delivery. Technical capacity building for Asian Pacific Islander AIDS Caucus in Los Angeles. Funded by U.S. Office of Minority Health.

Member, Science Team, South San Francisco Bay Salt Pond Restoration Project, San Jose/Oakland, CA, 2005-2009. Social Science expert on team of scientists and researchers providing guidance and developing adaptive management plan for restoring 15,000+ acre of salt ponds, marshland, and coastal areas proximate to Silicon Valley in the southern portion of San Francisco Bay. Funded and supported by the California State Coastal Conservancy Association, California Department of Fish & Game, and U.S. Department of Fish & Wildlife.

Consultant, Asian Pacific AIDS Intervention Team (APAIT), Orange County, CA, 2003-2006. Program evaluation of technical capacity building project and community needs assessment of Asian Pacific Islander population in Southern California. Publication from evaluation published by *Journal of Public Health Management and Practice*. Funded by U.S. Office of Minority Health.

Consultant, Asian Pacific AIDS Intervention Team (APAIT), Los Angeles, CA, 2002-2004. Program evaluation of HE/RR HIV Prevention Programs. Conducted multiple surveys of staff and clients, analyzed risk assessment and pre/post test data, and developed organizational evaluation plan and progress reports for funder. Funded by County of Los Angeles, Department of Health Services, Office of AIDS Programs and Policy (OAPP).

CONSULTING EXPERIENCE (continued):

Consultant, Asian Pacific Islander HIV Task Force, Santa Ana, CA, 2001. Analysis of two surveys to study HIV transmission among Asian Pacific Islanders in Orange County, California.

Consultant, County of Orange Health Care Agency, Santa Ana, CA, 1998. Evaluation of county-wide HIV education and prevention services in Orange County. Funded by County of Orange Health Care Agency.

Consultant, HIV Wellness Collaborative, Santa Ana, CA, 1997-2000. Evaluation of HIV services for collaborative organizational program providing support groups, workshops, mental health counseling, and volunteer activities. Funded by the California Endowment.

Consultant, Wolch/Dear Associates, Santa Monica, CA, 1995. Research on behalf of Washington, D.C. based Campaign for New Community. National and case study analysis to explore sources and solutions for the NIMBY (Not In My Back Yard) syndrome toward human services. Funded by the Robert Wood Johnson Foundation.

Consultant, Economic Roundtable, Inc., Los Angeles, 1991. Analysis of employer surveys concerning the entry-level labor market in Los Angeles County. Final analysis was the basis for several chapters in *Los Angeles County Occupational Opportunities 1991*.

Consultant, Economic Roundtable, Inc., Los Angeles, 1990. Research of implications of cutbacks in defense spending for “defense-dependent” communities. Final report used in testimony for Los Angeles County Board of Supervisors.

Consultant, Community Redevelopment Agency, Los Angeles, 1988-1989. Coding, input, and analysis of survey data to evaluate the Homeless Outreach Program in Skid Row, Los Angeles (an outreach and referral program).

Consultant, VLH Associates, Pittsburgh, PA, 1988. Developed evaluation framework for Peoples Natural Gas Company’s Residential Low-Income Usage Reduction Program. Funded by Peoples Natural Gas Company.

MEDIA APPEARANCES:

Research and/or commentary featured in *Los Angeles Times*, *Toronto Star*, *Daily Breeze* (regional newspaper, Southern California)

COMMUNITY/PUBLIC SERVICE:

Member, Inter-University Consortium on Homelessness and Poverty (1995-present)

Member, Geographer Network on Politics in America (1995-present)

Member, Organizing Committee, Research on Asian and Pacific Islanders (APIs), HIV, and Health Disparities (RAPIHHD) National Summit, funded by grant from National Institutes of Health – National Center on Minority Health and Health Disparities, sponsored by Asian Pacific AIDS Intervention Team (APAIT) and the California Endowment, Los Angeles (2008)

Member, Board of Advisors, Asian Pacific AIDS Intervention Team (APAIT), Los Angeles (2005-2009)

Member, Board of Advisors, SOUHL Foundation, San Francisco (2008-2011)

Member, Advisory Board, U.S. National Study of HIV Risk Among API Youth, Asian & Pacific Islander American Health Forum (APIAHF) (2002-2005)

Member, HIV Wellness Collaborative (a partnership of social service agencies), Orange County, California (1997-2000)

Voting member, Orange County HIV Planning Advisory Council (1998-1999)

Member, Orange County HIV Planning Advisory Council, HIV Prevention Planning Committee (1995-2000)
